Re: Special Notice Letter for the Lusher Street Groundwater Contamination  
Site, Operable Unit 1 interim Remedy, Elkhart, Indiana

Dear Mr. Quadri:

This firm represents Flexible Foam Products, Inc. ("Flexible Foam") in relation to the Lusher Street Groundwater Contamination Site in Elkhart, Indiana (the "Site"). We are in receipt of U.S. EPA's February 2, 2015, Special Notice Letter. I have already spoken with Tom Krueger and indicated Flexible Foam's willingness to participate in future negotiations concerning the Site. This letter will confirm our willingness to do so.

We look forward to working with U.S. EPA in relation to this matter.

Sincerely,

Frank J. Deveau
